## Welcome

Southwell Minster is an awe-inspiring, rich learning resource. Steeped in history from its Roman and Saxon beginnings, with soaring medieval Romanesque and Gothic stonework, Victorian furniture and modern sculpture, the Cathedral tells the cultural history of our country. We also have a classroom, the Archbishop's Palace and Education Garden for activities, art and craft. Our team of experienced practitioners and volunteers look forward to working with you.

Outlined here are suggestions for workshops, tours and study days, but we aim to adapt to your requirements and can create bespoke sessions for many topics and for almost any size of group. Sessions can be adapted for SEND. Our aim is to deliver relevant, interactive sessions, giving staff the chance to relax, have a cuppa and enjoy the visit too. We look forward to welcoming you.

With best wishes *Diana, Matt and the education team*

*"students were asked to evaluate and think.... I was astounded by their observations and reflections..." (Education Volunteer)*

*"We thoroughly enjoyed ourselves, everything was carefully planned to our students' needs and they were engaged." (year 7 RE Teacher)*
