

# Magical Forest – Art Competition

In October, the Chapter House at Southwell Minster will be transformed into a magical forest full of mysterious creatures and plants. We want you to design your own magical plant, person or animal to be displayed in the forest.

Talking trees, chocolate dragons, and fairies with rainbow wings.....  
Who do you think would live in a wondrous woodland?

In the space below, design your magical creature or plant in any media you like. This can include drawing and colouring, painting or multi-media collage

# How to send your entry to us:
