

Time Travelling: content and information

This document shows how the Time Travelling activities link to the Nottinghamshire Agreed Syllabus for RE.

Our 'Introducing Southwell Minster' film can be viewed in advance of your visit on Southwell Minster's YouTube channel here https://youtu.be/BUWqQ6_C4RM

There is also a set of online resources including videos and activities which may be useful for follow up / revision. *Please do not use these BEFORE your visit.* These can be found at www.southwellminster.org/timetravelling (scroll to **Resources and Information Key Stage 2 / Online Resources Key Stage 2**). A list is below** of all web resources and I have referenced them in red in the content summary. The videos 'Creation', 'The Bible', 'Minster Tour' and 'The Organ' are different from anything the children will do on the day.

2023 Activities: Children will either do the 'A' or 'B' activities. We have tried to ensure a balance as you will see from the 'Activity Focus' box. Each activity is listed below, along with a brief content summary and I've tried to pull out at least one unit per year group to show where it might link to the Agreed Syllabus and there is a key question for each activity, which we hope will act as a focus.

Pilgrimage: This is a key theme of the day and the introduction in the morning focuses on this, using the words '**travelling, learning and connecting**' to help children understand the difference between a pilgrimage and other types of journey.

Please contact Diana, on 07952 739536 or education@southwellminster.org.uk, if you have any questions or if you would like to arrange a webinar to follow up your visit.
