

The Time Travelling Song

We came to see the Minster,
We travelled in time.
We've learnt about Communion,
The sharing of the bread and wine.
We're pilgrims on a journey,
We're travelling far.
We've seen a lot of new things
And now we know just what they are.

Now we know how organs work,
And what the font is for.
We've seen a shining window
Above the great west door.

We came to see the Minster.....

Mighty pillars in the nave
All built so long ago.
High up is Jesus watching
And blessing all below

We came to see the Minster.....
